WHAT NOT TO DO

DON'T UNDERESTIMATE THEM

Kids need to know Jesus loves us no matter what and what the Bible tells us about that.

DON'T MAKE IT HARD

Salvation is simply feeling sorry for the wrong things we have done, thanking Jesus for dying for us, and asking Him to forgive our sins.

DON'T MAKE IT WEIRD

Instead of saying, "Jesus paid our debt with His blood," say "Jesus died on the cross so our sins could be taken away."

DON'T BE UNPREPARED

Every Christian should have a 30-second elevator pitch to be able to share the Gospel.

DON'T EXPECT TOO MUCH

They don't need the whole path mapped out to be able to take the first step of accepting Jesus.

DON'T MISS THE MOMENT

Don't be too busy to miss sharing the gospel. Build opportunities into your time together for those moments to happen.
